**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe in broadband competition because we need faster speeds, competitive prices and friendly customer service. Without competition there is complacency and lack of quality service. I am a proud customer of a competitive telephone company that is constantly improving and expanding their service. They must be allowed to continue!
